

LOONEY BIRD'S

THE LOONEY BIRD STORY:

Every bird was born to sing his own song, and so should every child be taught and encouraged that his or her own song is beautiful. Rebelling against conventional wisdom, "If you can't sing, don't", Looney Bird's gives everyone a nonthreatening environment to express him/herself in song and dance. Children boldly and happily take their first steps onto our stages, performing with other kids and parents in our non-stop variety show alongside the greatest animatronic rock and roll band in history. It's a joy to watch both kids and their parents as their self-esteem is heightened through the experience. Of course, a great deal of attention is also given to the quality of our culinary offerings, so, sit back and enjoy the show and have a delicious tweet!

Tipping Suggestions

We ask that you not tip an individual employee. They are all paid fairly for their work. We do, however need your help to cover the cost of the entertainment. If you enjoyed the personalized attention your children received, a nominal tip of 1 or 2 dollars per person will help us avoid ever having to establish a cover charge. Thank you.

Entertainment Options

Each visitor to Looney Bird's has several entertainment options to choose from. They can decide to play a show on the show selector, sing a karaoke song, see Bubba or the Wizard of Oz show or do a dance. We strive to provide at least one option per visit but do not guarantee one. If you would like more selections during your visit, we suggest you come back at a time when we are not as packed.
